

## ¿Qué te gusta hacer?

In the first column, mark whether or not you like to do each thing. Then ask two people whether or not they like to do those things. Ask and answer in complete sentences.

Example: ¿Te gusta bailar? Sí, me gusta bailar.

¿Te gusta nadar? No, no me gusta nadar.

	(no) me gusta ...		A _____ (no) le gusta ...		A _____ (no) le gusta ...	
	sí	no	sí	no	sí	no
